From: Kathleen Hopkins <k.hopkins@d3g.biz>

To: Group R5Foia/R5/USEPA/US@EPA,

Good afternoon,

I am requesting files associated with CIBA Geicy Corporation (also known as Huntsman Advance Materials Americas, LLC) located at 4917 Dawn Avenue, East Lansing, Michigan 48823. The facility appeared on our database search as a RCRA-TSDF, a CERC-NFRAP, and a CORRACTS facility. I would appreciate any information related to these designations. RCRA TSD and CORRACTS EPA ID: MID06735289. CERC-NFRAP ID: 0502594.

If you need any other information, please do not hesitate to contact me at either this email address or the phone numbers listed below.

Thank you,

Kathleen Hopkins – Environmental Project Manager
